We deemed that this support will lessen the group's concern about their source of funds, making them concentrate more on their review.

Thank you and looking forward to an affirmative response from you.

Very truly yours,

Dear Dr. Ogena,

This is to **request to include the name of Ms. Jamaica C. Punzalan** to the attached list of SGP-PA scholars whose payment for the LET review amounting to P2,000.00 was waived. It was only her name that was inadvertently excluded from the list. The number of scholars remained the same at 32, with or a total of P64,000.00 for the payment for the LET review.

Thank you.
