UNIVERSITY MEMORANDUM

No. 177

Series of 2022

TO: The PNU Community

SUBJECT: The University Academic Calendars for AY 2022-2023

The Board of Regents, through PNU BOR Resolution No. U-3509, series of 2022 dated October 13, 2022, has approved the University Academic Calendars for the Undergraduate Level, Graduate and Post-Baccalaureate Levels, and Institute of Teaching and Learning (ITL). The calendar defines the official dates and time frame of University events for the entire school year in three-term (trimester) format to serve as a guide and reference for the Campuses, Colleges, Institutes, Faculties, and Offices when planning for various academic activities.

Please be reminded that the University Academic Calendar is subject to change without prior notice due to unforeseen circumstances such as possible shifts in the observance of local or national holidays, declaration of suspension of classes within the locality, or other emerging concerns. When these occur, the PNU Management reserves the right to make arrangements for the benefit of the students and classes that are affected.

An online copy of the University Academic Calendar shall be made available at the PNU website for the information and guidance of the PNU Community and the general public.

Please find attached the Board Resolution, for your information and reference.

Widest dissemination to all concerned is requested.
